Inventor's Society of South Florida 2014

Event Date: Feb 15, 2014

Event Website: <http://www.inventorssociety.net>

Free Invention Expo February 15, 2014

Annual inventor expo at the Palm Beach Convention Center from 10 AM to 6 PM. Last year 7% attendees were investors! Learn how others promote their products, listen to our great speakers, get tickets for door prizes, enter your product in The Shuuk Pit event.

This event is FREE to attend, exhibit and listen to speakers. It is an excellent opportunity to learn many aspects of invent-to-market process from those who are doing it! We offer the community, product developers, businesses, investors, buyers and anyone interested an opportunity to come together in a fun setting to share ideas, needs, requirements and possibilities.

Attendees can explore new inventions and listen to industry experts. Parking at the convention center is convenient and inexpensive. The weather is lovely in February even when it rains, as daily temperatures hover in the mid-70s. Nearby restaurants offer variety of taste sensations. While at the Resources 2014 expo, you may win a prize just for attending the event!

"Resources 2014" offers four speaking events and a challenge - all to motivate, educate and put you on track for success!
